PRESENT WERE: Selectmen Norman Hutchins, Paul Fecteau and Leo Ruel.

6:00 PM: Meeting was called to order.

The Lyman Selectmen met with Dayton Selectmen Scott Littlefield and Ted Poirier regarding the Interlocal Agreement between the two Towns and the fire Commission. Dayton Selectman Poirier stated that there has been nothing but problems. They had a copy of the minutes from the last joint meeting that reflected their recommended changes to the Interlocal Agreement. Mr. Poirier suggested that the Lyman Selectmen pick and choose from that list and have the Town Attorney look at it. Dayton Selectman Littlefield stated that we have to move forward and look into hiring a Fire Chief. Lyman Selectman Ruel stated that if you take Becky Seals advise last wek, take it this week. Get the tow town's Lawyers together and the Selectmen from both Town's together and work out the Interlocal Agreement. Selectman Poirier stated that they are not trying to get enemies.

Fire Commission member Don Hernon stated that the Selectmen must agree on what is in the Interlocal Agreement. The Fire Commission does not want to recommend the hiring of the Fire Chief until the Interlocal Agreement is signed.
